Revelo Closes Sale of 8 Copper Projects

Vancouver – November 30, 2020 - Revelo Resources Corp. (“Revelo” or the “Company” – TSX-V: RVL) is pleased to announce that the agreement for Revelo to sell 8 copper-focused projects in northern Chile to West Pacific Ventures Corp. (“WestPac”) in exchange for shares in WestPac and certain cash considerations, has closed (see news releases dated May 19, 2020, June 18, 2020 and August 17, 2020 for further information).

Additionally, Pampa Metals Corporation (formerly Fireswirl Technologies Inc.) (TSXV: FSW.H) (“Pampa Metals”) has announced that it has completed a business combination with WestPac, whereby Pampa Metals acquired all of the issued and outstanding shares of WestPac (the “Transaction”).

Immediately prior to the completion of the business combination, WestPac completed the acquisition of a 100% interest in the mining concessions underlying eight exploration properties collectively (the “Properties”), subject to certain net smelter return royalties, from Revelo pursuant to the property purchase agreement dated July 31, 2020 between WestPac, Revelo and certain Chilean subsidiaries of Revelo. The Properties are located in the Antofagasta region of northern Chile.

As consideration for the acquisition of the Properties, WestPac paid US\$300,000 and issued 7,798,747 shares at a deemed price of \$0.40 per share to Revelo. Additional information on the Properties and the Transaction is available in Pampa Metal’s news releases dated June 15, 2020, August 17, 2020, October 16, 2020, November 3, 2020, and November 24, 2020.

The shares and warrants issued to the shareholders of WestPac included: (i) 7,798,747 shares to Revelo, representing 19.9% of the issued and outstanding shares of Pampa Metals; and (ii) 10,061,250 units (each comprised of one share and ½ of one share purchase warrant) of Pampa Metals in connection with the exchange of subscription receipts issued in the private placement by WestPac for gross proceeds of \$4,024,500 (the “Private Placement”). Revelo also holds an anti-dilution right that guarantees Revelo’s interest in Pampa Metals remains at 19.9% through the raising of a total of \$6,000,000 in equity financings of Pampa Metals, inclusive of the Private Placement.

Pampa Metals also issued 75,000 units (each comprised of one share and ½ of one share purchase warrant) in connection with Pampa Metals’ unit private placement; an aggregate of 446,381 agent’s warrants in connection with the Private Placement; and 795,000 common shares as a finder’s fee to 1247979 B.C. Ltd., a private company that is not a related party to Pampa Metals.
